

Buy America Act Certification

Product Compliance for Made in America Requirements

Updated: November 19th, 2019

The following Senva Inc products are manufactured in the United States and meet the requirements of the federal American Recovery and Reinvestment Act of 2009 (ARRA), commonly known as the Buy American Act.

1. Current sensing/relay products. Models include C-1200 series, C-1300 series, C-2300 series, C-2200 series, C-1220 series, C-1320 series, C-2320 series, C-2220 series, C-2330 series, C-2350VFD series, C-1203 series, C-1205 series, C-2343 Series, C-2344 series, C-2345 Series & all CR3/CR4 series relays
2. Energy Meters. Models include EM series, CVT transducers, and Energy Gateway
3. Air quality products. Models include AQW series, AQD series, AQO series, CO2RL series, CO2VAL series, CO2D series, CO2DVAL, CO2O-A
4. Humidity/Temperature products. Models include HT1D-2 series, HO-2 series, HT1R series, TR series
5. Dry Pressure products. P6 series, P5 series, P4 series
6. Wet Pressure products. PW series
7. Gas Monitoring products. TG series
8. Remote displays. RD series
9. Water/leak detection. WD series

The products listed are sub-components of a building system, which is a component of the overall mechanical system. All assembly of the above products are completed in Senva manufacturing facility at 9290 SW Nimbus Ave, Beaverton Oregon 97008.
