

## Buy America/Build American Act Conformance Statement, Updated 7/31/2024

The following products are manufactured in the United States, and the cost of the domestic components exceeds 65 percent of the cost of all components. They are manufactured by Senva located at 1825 NW 167<sup>th</sup> Place Beaverton, OR 97124, and meet the requirements of:

- Buy America Act, Title 49, Part 661, 661.5 (d)
- Buy American Act – Title 41 U.S.C. § 10a
- American Recovery and Reinvestment Act- Buy America (ARRA) Section 1605
- Build America, Buy America Act (BABAA)

1. **Current sensing/relay products.** Models include C-1200 series, C-1300 series, C-2300 series, C-2200 series, C-1220 series, C-1320 series, C-2320 series, C-2220 series, C-2330 series, C-2350VFD series, C-1203 series, C-1205 series, C-2343 Series, C-2344 series, C-2345 Series & all CR3/CR4 series relays
2. **Energy Meters.** Models include EM series, EMX series, and CVT transducers.
3. **Air quality products.** Models include TotalSense series, AQ2W series, AQ2D series, AQ2O series, CT1R series, CT1D series, CT1O series, CTOR series, VTOR series, VTOD series.
4. **Humidity/Temperature products.** Models include HT1D series, HT1O series, HT1R series, TOR series, HTOR series, HTOD series.
5. **Dry Pressure products.** P6 series, P5 series, P4 series, RP-6.
6. **Wet Pressure products.** PW30W-C, PW30M-C, PW30 versions not including PWT transducers.
7. **Gas Monitoring products.** TG series, TGOR series.
8. **Remote displays.** RD series.
9. **Water/leak detection.** WD series.
10. **Relays PR Series.** PR Series.
11. **Connectivity Solutions.** IOTBuddy Series.

The country of origin of the part(s) listed above is U.S.A, in which the last manufacturing occurred and imparted the essential character of the part(s) or substantially transformed the raw materials and subassemblies into the part(s).

Thank you,

Nora Knapp
